

Environmental Policy Statement

The Ramada Hotel & Conference Centre in Cornwall, Ontario is committed to enhancing our environment and we strive continuously to reduce our impact on it. We go beyond legal and regulatory requirements in order to fulfil our environmental agenda.

We are committed to providing excellence in customer service and superior comfort while upholding our dedication to help preserve and protect our natural environment and our planet.

We have an Environmental / Green Policy which outlines how we aim to minimize our carbon footprint.

We currently;

- Use energy saving light bulbs throughout the hotel wherever possible.
- Supply blue boxes in all guest rooms, office areas and common areas.
- Recycle all glass, paper and plastic and cardboard.
- Installed soft drink dispensing unit in ballroom to alleviate use of bottles and cans.
- Display reusable notices in all guest rooms promoting energy and water conservation.
- Utilize the internet and email as a means to distribute information such as invoices, confirmations and contracts.
- Make use of local food suppliers wherever possible reducing food miles.
- Send as much kitchen waste such as waste fats for environmentally friendly recycling.
- Safely dispose of electronics, batteries and light bulbs at a locally approved facility.
- Donate mattresses to our local Agape Centre.
- Have an on-site 6 Bay Tesla recharging station.
- Use environmentally friendly cleaning products wherever possible.

We have an Environmental / Green Policy. With the “reduce, reuse, recycle” philosophy at the heart of our activity we are focusing on the following areas;

- Energy consumption
- Waste reduction
- Employee awareness
- Sustainable procurement

Our Green Objectives;

- To reduce the amount of waste we produce and that we send to landfill.
- To reduce the amount of packaging that we handle each year and increase the percentage of packaging that is recyclable.
- To promote the environment agenda to employees, visitors and guests to ensure that all new staff are given an environmental induction on our aims and objectives.
- Continue to source products and produce for our functions and hotel from the local community wherever possible.
